

IX CONFERENCIA IBEROAMERICANA EDUCACIÓN EN ENFERMERÍA I ENCUENTRO LATINOAMÉRICA-EUROPA

**1ST LATINAMERICAN-EUROPEAN
MEETING ON NURSING EDUCATION**

PROGRAMME

INTRODUCTION

The general aim of the Conference is to establish a forum of discussion about the situations and problems which the present world and its healthcare needs are placing on nursing education.

In this context, the objectives - amongst others - are:

- To promote an open environment for discussing the current challenges and alternatives facing nursing education world-wide.
- To facilitate greater communication between the various nursing centres and faculties, encouraging an exchange of experiences and providing an opportunity to establish cooperative networks
