

ENROLLMENT

Once admitted, the student will receive further information sent to the email address provided, with information related to the registration appointment, such that they may formalize the same registration by INTERNET (download instructions of Self-registration) in the appointment period that is assigned.

Registration will be formalized after presenting, in the corresponding Student Management Unit, before October 31, the originals and copies of the documents and certificates included in your Pre-registration, in order to verify the accuracy of the access data. Otherwise, the registration will be officially annulled.

- CREDIT RECOGNITION:

If you wish to request the recognition of credits, you must opt for the fractional payment when registering on the INTERNET, so that you can complete the request for recognition of credits after the formalization of the same item.
