CAMPUS OF
CUENCA

Together with Toledo, Cuenca is the most beautiful city in Castilla-La Mancha, also boasting the richest cultural and historic heritage. In 1996, UNESCO declared it the World Heritage City for several reasons. The first one, with no hesitation, is the fantastic conservation of the original urban setting and heritage by the city's authorities. Another powerful reason is its rich civil and religious architecture, which dates back from 12th to 18th century. Nevertheless, the most breath-taking element of Cuenca is the wonderful nature that surrounds the city, resulting in a wonderful nature-city mergence. In short, Cuenca is one of the most beautiful and unique cities in Spain. History, art, culture, urban and natural landscapes meet, in one single place, making Cuenca one of the most marvellous and captivating cities across the world.

As for university education, Cuenca hosts another UCLM Campus, which is located on the outskirts of the city and has approximately 3,900 students in accordance with 2015 statistics. On this campus, the student will have the chance to study several fields of expertise such as Education, Engineering or Social Sciences. However, the Campus of Cuenca's stronghold is the Faculty of Fine Arts.

As with Toledo, Cuenca joins the finest of two worlds. On the one hand, the traditional and historical sphere, with wonderful its heritage and architecture and on the other hand, the modern sphere with wonderful. With no hesitation, students will be delighted and astonished for all the beauty that Cuenca offers and represents.
